Thank You Spirit from which this all flows. Thank you Thursday night dance community for the inspiration to record these songs and to everyone involved in manifesting this vision. To my family for your love; to all my teachers who shared these beautiful songs with me. We give thanks to our ancestors.

Experience the vibrant energy captured through these sacred songs. Many of the songs in this CD have origins and languages that were difficult to locate and decipher. We offer these songs to the world with hopes of learning more of their origins, meanings, and new ways of enjoying their medicines. Please email us with specific information.

If you find this CD without it's companion songbook you can order one by email: d-nargi-brown@sbcglobal.net
